## An investigation into El-Fasher, Sudan

28/10/2025

On 26<sup>th</sup> October 2025, the **SAF (Sudanese Armed Forces)** have retreated and the 6<sup>th</sup> Infantry Division headquarters fell to the **RSF (Rapid Support Forces)**. Public social media posts show the RSF celebrating inside the 6<sup>th</sup> infantry Division headquarters. On 27<sup>th</sup> October 2025, the city has officially fell under the control of the **RSF (Rapid Support Forces)**.

A picture of the RSF (Rapid Support Forces) celebrating on the streets of El-Fasher, Sudan.

As of 28<sup>th</sup> October 2025, over 260,000 civilians are trapped in the city and fear widespread mass killing after the **RSF (Rapid Support Forces)** seized an army base, causing defences to collapse. The videos that are coming out of El-Fasher, Sudan shows that the **RSF (Rapid Support Forces)** are detaining people and executing civilians.

Smoke seen from space in El-Fasher, North Darfur.

## Mass executions

Execution that took on 27<sup>th</sup> October 2025.

A picture of executed civilians in El-Fasher, Sudan.

A video also was uploaded by one of the militants telling a dead woman on the ground: “Get up if you can.”

## The Chaos

El-Fasher, Sudan

Executed civilians in a trench (?)

# Satellite Imagery

An image report from **Yale Humanitarian Research Lab** showed us satellite imagery in **El-Fasher, Sudan** where blood is visible from space because of the public executions that took place.

Daraja Oula, El-Fasher  
27 October 2025

Clusters of objects and ground  
discoloration

13.6329010, 25.3271401

Imagery collected over the Daraja Oula neighborhood in El-Fasher on 27 October 2025 shows the presence of clusters of objects, ground discoloration, and light technical vehicles. The objects within these clusters measure between 1.5 meters – 2 meters in length. A group of light technical vehicles appear to be blocking the road near where what appears to be red discoloration on the ground. One cluster of objects is flanked by 3 light technical vehicles.

## The image report

While we do not have yet any information from satellite imagery as of 31/10/2025, we have information about chicken farms and poultry farms being lit on fire in **El-Fasher, Sudan**.

13°36'7.94"N 25°19'33.19"E

The marked areas are the locations of the farms, the top left being the chicken farms, while on the bottom right are the poultry farms.

**13°39'34.26"N 25°21'36.77"E**

New information on 31/10/2025 shows that there have been massive fires in a neighborhood, supposedly the **RSF (Rapid Support Forces)** causing chaos and committing arson.

**Burning buildings at the Zamzam camp in North Darfur, Sudan.**

**NOVEMBER 2025**

**3<sup>rd</sup> November 2025**

A new discovery has been spotted while looking at satellite images, showing at what seems to be a pile of bodies with aged blood on the sand at the village of **Kumia, Sudan**.

**10°57'39.19"N 26°24'52.04"E**
